GENERAL INFORMATION

The Department of Justice reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service laws and rules and all candidates will be notified.

It is the Candidate's Responsibility to contact the Department of Justice, (916) 324-5039, TDD (916) 952-8396 three days prior to the written test date if he/she has not received his/her notice.

For an examination without a written feature it is the candidate's responsibility to contact the Department of Justice, (916) 324-5039, TDD (916) 952-8396 three weeks after the final filing date if he/she has not received a progress notice.

If a candidate's notice of oral interview or performance test fails to reach him/her prior to the day of the interview due to a verified postal error, he/she will be rescheduled upon written request.

Applications are available at the State Personnel Board Offices (www.spb.ca.gov), and local Offices of the Employment Development Department (www.edd.ca.gov).

If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, interviews are scheduled in Sacramento, San Francisco, and Los Angeles. However, locations of interviews may be limited or extended as conditions warrant.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) subdivisional promotional, 2) departmental promotional, 3) multi departmental promotional, 4) servicewide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older list must be used first. Eligible lists will expire in from one to four years unless otherwise stated on this bulletin.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, investigation may be made of employment records and personal history and fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on the other side of this bulletin, the panel will consider education, experience, personal development, personal traits and fitness. In appraising experience, more weight will be given to the breadth and recency of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than to the length of his/her experience. Evaluation of a candidate's personal development will include consideration of his/her recognition of his/her own training needs; his/her plans for self-development; and the progress he/she has made in his/her efforts toward self-development.

Veterans Preference: California law limits the granting of veterans preference credits to entrance examinations. When credit is granted it is as follows: 10 points for veterans, widows or widowers of veterans and spouses of 100% disabled veterans; and 15 points for disabled veterans. Directions for applying for veterans preference are on the Veterans Preference application form which is available from State Personnel Board offices or written test proctors.

High School Equivalence: Equivalence to completion of the 12th grade may be demonstrated in any one of the following ways: 1) passing the General Education Development (GED) Test; 2) completion of 12 semester units of college-level work; 3) certification from the State Department of Education, a local school board, or high school authorities that the candidate is considered to have education equivalent to graduation from high school; or 4) for clerical and accounting classes, substitution of business college work in place of high school on a year-for-year basis.

Career Credits: In open, nonpromotional examinations, career credits are granted to: 1) State employees with permanent civil service status, 2) full-time employees of the State who are exempt from State civil service pursuant to the provisions of Section 4 of Article VII of the California Constitution, and who meet all qualification requirements specified by the Board and have 12 consecutive months of service in an exempt position, and 3) individuals who have served one full year in, or are graduates of, the California Conservation Corps (eligibility shall expire 24 months after graduation from the California Conservation Corps). Three points are added to the final test score of those candidates who meet the above criteria, and who are successful in the examination. Such examinations cannot be for managerial positions described in Government Code Section 3513. Competitors not currently employed in State civil service who have mandatory reinstatement rights may also be eligible for career credits, but they must explain their civil service status in the appropriate section of the application Form 100-678. (Section 4 of article VII of the California Constitution is posted at the State Personnel Board, 801 Capitol Mall, Sacramento.)

Training and Experience Questionnaire

This Training and Experience Questionnaire is the examination process for the classification of Investigative Auditor II. The results of this examination will determine your placement on the hiring list for the classification should any open positions become available.

The assessment is a self-rating process. In the following pages, you will rate yourself on a series of statements designed to measure how your education, training, and work history has provided you the essential knowledge, skills, and abilities required to successfully perform in the Investigative Auditor II position. Your responses in this questionnaire may be later used as information for follow-up questions during a hiring interview.

The overall assessment consists of three (3) sections.

- Analysis and Investigations
- Communication
- Report Writing

The Training and Experience Questionnaire is the sole component of the Investigative Auditor II examination. All instructions should be read carefully and understood before completing this examination. Failure to do so may result in an inability to process your Training and Experience Questionnaire and disqualification from this examination. Please keep a copy of your completed questionnaire for your records.

How to take a T&E

What is a T&E?

A Training and Experience Questionnaire (T&E) is a way to measure the previous experience, training, and/or education that a candidate has that is relevant to the job for which the exam is being conducted.

T&Es are typically questionnaires that consist of a series of statements that represent qualities important for successful job performance. You will be asked to rate yourself on the experience, training, and education that you will bring to the job.

How do I rate myself?

Making judgments about your own level of skills or amount of experience can be a difficult task, but there are steps you can take to help increase the accuracy of your ratings.

- To start, pull together some important personal reference materials. You're most likely going to be asked to rate yourself based on your previous work experience. It can be difficult to accurately recall in detail the accomplishments you have achieved in your career. So take a moment to refresh your memory.
 - Pull out your resume and review it. Update it if you need to. Look over your previous positions and the tasks that you performed while in those positions.
 - Review past performance appraisals. These may contain development plans or details of projects that you completed in the past.
 - Look over your transcripts. Remind yourself of the courses that you have taken in your educational path. If there are educational requirements, you may be asked about specific courses that you took while pursuing your education.
 - Make a list of training courses and professional classes that you have taken throughout your career. Note any certifications that you may have achieved. Sometimes you may not have the previous work experience but you may have taken coursework that exposed you to similar knowledge or skills.
 - Read the questions and the response options carefully. Consider all your relevant training and experience.

How do I choose which rating best represents me?

- After you have reviewed some of your personal reference materials you should be in a pretty good position to rate yourself accurately.
 - Be honest. Don't diminish your accomplishments or the amount of time that you have put into your career. As you rate yourself, keep your personal resources next to you and refer to them as needed to refresh your memory.
 - Be truthful. Don't exaggerate what you have done. While it's common to want to present yourself to the best advantage, T&Es are of most use when your ratings are accurate. Rating yourself higher in certain experiences or indicating that you have more training than you do in actuality isn't necessarily going to result in a higher score. Often candidates' responses on the T&E questionnaire are confirmed during the hiring interview. Blatantly falsifying your employment history may lead to disciplinary action and/or removal from the employment list.

Affirmation Page

All applicants **must complete and return the entire** Training and Experience Questionnaire, Affirmation page, and Conditions of Employment by the final filing date stated on the bulletin in order to be considered in this examination process.
